Prairie Moraine County Park located on Wesner Road in the Town of Verona will be CLOSED on Thursday 5/3 and Friday 5/4 to allow for a two phase pavement restoration project to be made on the entrance road and at the Ice Age National Scenic Trail parking lot. An additional 1-2 day closure is anticipated in early May to complete the final asphalt paving work. Notice of the upcoming closure for final paving will be posted at the park and on the Dane County Parks website as soon as the dates are known.

The paving repair work will complete the Prairie Moraine dog park parking lot relocation project that created a new 74-car parking lot at the end of Wesner Road. While the park is closed access to the Ice Age National Scenic Trail and another dog exercise area is available nearby at Badger Prairie County Park, located at 1220 E. Verona Road, Verona WI 53593.
