(MADISON) – 50 current and former foster youth were honored for their academic accomplishments at a special celebration held today at the Wisconsin Executive Residence. First Lady Tonette Walker joined Department of Children and Families Secretary Eloise Anderson for DCF’s sixth annual Foster Youth Graduation Ceremony, which recognizes young adults for their recent graduations from high school or other post-secondary educational milestones.

Foster youth must overcome many challenges—including being removed from biological family and often, moves between foster homes, caseworkers, and schools. Nationally, only about 54% of foster youth will graduate from high school and only 2% will go onto college.

“Many foster youth face struggles most of us couldn’t imagine,” said First Lady Tonette Walker. “When we learn about young people who beat the odds and achieve success, it’s time to celebrate. Resilience, perseverance, hope – these are just a few of the lessons we can learn from the graduates here today.”

The 50 graduates who were able to attend the celebration represented the 114 foster youth throughout Wisconsin who are known to have reached commencement in the 2017/18 academic year.

Locally, six students from Dane County were recognized: Tashonna Robinson, Jericho Leone, Clara Thorns, and Arianna Long from Madison; James Schenk from

Oregon; and Deoveon Randle from Sun Prairie.

“These determined individuals deserve to be recognized for their academic achievement,” said Eloise Anderson. “They are shining examples that despite whatever hardships a person might face, you can still achieve your goals through hard work, determination and perseverance.”
