

# Fair Maps Coalition public hearing

Posted on Friday, May 11, 2018

COME TO THE CITIZENS' PUBLIC HEARING ON FAIR MAPS.

The Wisconsin State Legislature has refused to even consider creating a fair and transparent process to draw legislative district maps. They wouldn't even have a hearing on SB13/AB44, let alone a vote, so the Fair Maps Coalition is organizing a "Citizens' Public Hearing on Fair Maps."

CITIZENS PUBLIC HEARING on FAIR MAPS

Tuesday, May 15, 2018 | 4 p.m. - 6 p.m.

First United Methodist Church, Fellowship Hall

203 Wisconsin Avenue, Madison, Wisconsin

The public is invited to present testimony about what a fair map-drawing process would look like, as well as to propose actual fair maps or other input into unrigging the system.
