Democratic challenger has raised nearly \$700,000 since the start of the campaign

(Milwaukee) - Democratic gubernatorial candidate Matt Flynn's campaign today announced it raised \$687,569.10 between October 10, 2017 and June 30, 2018. The campaign has filed a strong fundraising report with \$403,462.77 on hand.

"The fundraising report is very good news for our campaign," said Flynn. "Now more than ever, Wisconsin needs a governor with the guts to take on the Russians, take on Foxconn, and take on the special interests of the Republican donor cartel. I'm ready to do it and move Wisconsin Forward again."
