(Milwaukee) – Democratic gubernatorial candidate Matt Flynn today received the endorsement of Milwaukee County Supervisor Sylvia Ortiz-Velez.

“Matt Flynn is the leader we need to bring our state forward. He has a vision for a brighter Wisconsin for all of us and the wisdom to see it through,” said Ortiz-Velez. “His plans to raise wages, care for every Wisconsinite, and restore clean and honest state government are the best of any candidate running for governor. He’s more concerned with solutions than with petty political fights. I’ve known Matt for many years, and I’m proud to call him my friend and will be proud to vote for him in the August primary and the November general election. I wholeheartedly endorse Matt Flynn for governor of Wisconsin.”

“I want to thank Supervisor Ortiz-Velez for her endorsement,” said Flynn. “2018 is a critical election and we need to come together to replace Scott Walker. As governor, I will work with local leaders and re-establish the principle of local control in our communities.”
