

Flynn raised \$350,000 in first 82 days of campaign for gov

Posted on Tuesday, Jan 16, 2018

Dem Matt Flynn's campaign says he raised \$350,511 in the first 82 days after he got into the gov's race.

Flynn, who announced his candidacy Oct. 10, finished the year with \$304,972 cash on hand.

His campaign said the former state Dem chair and attorney contributed \$40,000 to his campaign.
