Fond du Lac County – In a strident display of swamp politics, the lawyers representing Christine Blasey Ford, the woman making dubious accusations against Supreme Court nominee Brett Kavanaugh, were caught yesterday planning a \$1,000 per person fundraiser for Baldwin’s campaign.

“This obvious conflict of interest disqualifies Tammy Baldwin from having the independence to cast a fair vote in the confirmation of Judge Kavanaugh.” Said Rohn Bishop, Chairman of the Republican Party of Fond du Lac County, “It’s bad enough that Baldwin announced she’d oppose Kavanaugh before the Senate Judiciary Committee hearings while also refusing to even meet with him, but now we know she’s in the pockets of the lawyers representing Ford.”

The lawyers, Debra Katz and Lisa Banks are long time supporters of the Liberal Madison Senator having donated several thousands of dollars to Baldwin. The fundraiser, which was cancelled after news reports were published, was to be held in Washington DC’s Dupont Circle, where the lawyers have their offices.

“It’s obvious that Tammy Baldwin never puts her Wisconsin Constituents first, whether it’s

refusing to meet with judicial nominees or refusing to do anything about opioid abuses at the Tomah VA, Tammy Baldwin shows time and time again she's not qualified to be Wisconsin's US Senator" Bishop said.
