Guelig Waste Removal awarded two contracts

MOUNT PLEASANT, Wis. – Last night, the Village of Mount Pleasant Board voted to award Fond du Lac County-based Guelig Waste Removal And Demolition LLC (Guelig Waste Removal) with the first two contracts to conduct initial demolition work tied to Foxconn's \$10 billion, 22-million-square-foot manufacturing campus. The bid team includes four other Wisconsin-based companies.

"We look forward to taking another major step in preparing for construction of Foxconn's Wisconsin Valley Science and Technology Park," said Claude Lois, Project Director for the Village of Mount Pleasant. "In keeping with our commitment to Wisconsin First, the awarded team includes five Wisconsin-based companies, as well as a women-owned enterprise."

Guelig Waste Removal, based in Eden, Wisconsin, was the lowest bidder for both Bid Package A and Bid Package B. In total, the two bid packages amount to \$378,300. All 20 bids received by the Village were from Wisconsin companies. Additionally, Guelig and all four subcontractors in its bid packages are based in Wisconsin, including companies based in Fond du Lac, Kenosha, Racine and

Milwaukee Counties. Subcontractors include KPH Construction, based in Milwaukee; Adam Salem Sand & Gravel, Inc., based in Salem; Krizan's Well Drilling, based in Union Grove; and Pat's Services, Inc., based in Burlington. Adam Salem Sand & Gravel, a subsidiary of Adam Enterprises, Inc., is a certified Women-Owned Business Enterprise.

This initial demolition will focus on properties along Braun Road. The work will include razing and removing all structure(s), out buildings, flatwork, driveway aprons, fill, filling all basements, crawl spaces and excavated areas with approved granular material, landscape restoration, traffic control as needed, and erosion control. The bid award involves demolition of 12 parcels related to Braun Road North in the Village of Mount Pleasant and 11 parcels related to Braun Road south.
