MADISON – Governor-elect Tony Evers and Lt. Governor-elect Mandela Barnes today announced their statewide Building the People's Budget tour.

The statewide tour will start on Tuesday, December 11 in Green Bay and end the following week in Milwaukee. Each session is open to the public and will give participants the ability to share their budget priorities directly with Governor-elect Evers, Lt. Governor-elect Barnes, and transition policy staff.

"The people of Wisconsin elected me to solve problems and listen to the needs of everyone," said Governor-elect Evers. "I invite Wisconsinites to share their ideas with us on how we can tackle the problems we face and improve our state.
