Governor Walker's reforms are working*

MADISON – Governor Scott Walker released the following statement today after the nonpartisan Legislative Fiscal Bureau (LFB) released a report showing the state budget would end with a better than projected \$385 million surplus. “This is more great news, and it’s further proof that we are achieving positive results for Wisconsin families. Today’s report shows our economy is strong, and it shows our expenses are down because we are committed to being good stewards of taxpayer dollars. We are working and winning for Wisconsin.”
