"No child, parent, or teacher should ever feel unsafe at school."

MADISON - Governor Scott Walker released the following statement today thanking the Wisconsin State Legislature for approving the \$100 million School Safety Plan.

"This plan focuses on ways we can help schools be safe, just like we did at the federal level ensuring that every airport and airplane were safe after 9/11. The same thing needs to be true for our schools across Wisconsin. I thank the Legislature for approving this plan on a bipartisan basis because no child, parent, or teacher should ever feel unsafe at school."

The package of bills now goes to Governor Walker for his signature.
