(Fond du Lac, WI) – Congressman Glenn Grothman (R-Glenbeulah) has earned the endorsement of 18 Wisconsin state legislators, representing the majority of the 6th Congressional District, including representatives Joan Ballweg, Mark Born, Rob Brooks, Terry Katsma, David Murphy, Jim Ott, Kevin Petersen, Mike Rohrkaste, Michael Schraa, Jeremy Thiesfeldt, Paul Tittl, Tyler Vorpapel, and senators Alberta Darling, Dan Feyen, Devin LeMahieu, Luther Olson, Roger Roth and Duey Stroebel.

“It is truly an honor to receive the support of so many different legislators. As a former state legislator, I know the intimate relationship they have with their constituents and am humbled that they have endorsed me as the best candidate in this race to represent the values of the 6th district.” said Grothman.

“It was my privilege to serve with Glenn Grothman in the State Legislature for eight years, and co-chair the Law Revision Committee with him.” said State Representative Jim Ott (R-Mequon). “I got to see firsthand his sincere commitment to his constituents, his common sense and conservative values. Residents of the 6th Congressional District are very fortunate to have such an outstanding Representative in Congress.”

“Glenn Grothman has always been an advocate for the people. He’s the fighter we need right now who will build on his successful record of bringing our Wisconsin values to Washington.” said State Senator Dan Feyen (R-Fond du Lac).
