(Fond du Lac, WI) - As Dan Kohl continues to spread lies about Congressman Glenn Grothman, he spent Friday in Milwaukee campaigning outside of the 6th district with "[Lie of the Year](#)" recipient, former President Barack Obama. Kohl supported a state takeover of health care in 2008 that turned out to be the blueprint for Obamacare, which has resulted in increased premiums and less patient choice for Wisconsinites.

"While Congressman Glenn Grothman was meeting with voters in Wisconsin's 6th district, Dan Kohl was putting on a show for Milwaukee Democrats- singing songs belittling Governor Walker alongside Gwen Moore and Randy Bryce." said Grothman campaign spokesman Tim Svoboda. "D.C. Dan Kohl should visit the district in which he's running and tell voters he supported a government takeover of health care in Wisconsin that was the foundation for the failing Obamacare. Kohl's health care plan would have cost \$15 billion in tax increases on Wisconsin families and was labeled 'the largest tax increase in state history'. Another thing Kohl doesn't want you to know is that his partnership with Obama started before that, when he bundled hundreds of thousands of dollars in campaign cash for Obama's Presidential run. The high-tax, big government Kohl-Obama agenda is wrong for families and wrong for Wisconsin."
