(Fond du Lac, WI) - Congressman Glenn Grothman released the following statement after his victory in Wisconsin's 6th Congressional District.

"It is truly an honor to be re-elected to represent Wisconsin in our nation's capital for a third time. I am proud of the great strides we have made with tax reform that has benefited the average American, expanding access to career and technical schools and working to lower health care costs while retaining protections for people with pre-existing conditions. But, we still have work to do, and I look forward to working with my colleagues in a bipartisan manner to address the tough issues. The 6th district is my home, it's where I grew up, and I will always fight to bring Wisconsin values and real solutions to Washington, while striving to make the 6th district a nicer place to live." Said Grothman
