Grothman campaign: Launches new ad: “Tax Doubling Dan”

(Fond du Lac, WI) – Congressman Glenn Grothman (R-Glenbeulah) launched a new television ad Wednesday, exposing Dan Kohl’s record as a D.C. insider who supports doubling income taxes on hard-working Wisconsinites to pay for a government-run health care program.

“Dan Kohl spent years in Washington, D.C. as a liberal lobbyist. He would rather put the government in charge of medical decisions that should be made between a patient and their doctor,” said Grothman campaign spokesman Tim Svoboda. “Congressman Glenn Grothman has the real record of accomplishments for the citizens of the 6th district: he’s successfully expanded access to career and technical schools, passed legislation fighting the opioid epidemic and fought to lower health care costs while protecting coverage for people with pre-existing conditions. The truth is, we can’t afford to send Dan Kohl back to Washington.”

“D.C. Dan Kohl, lobbyist and extreme liberal insider, will put government in charge of your healthcare and double your income taxes to pay for it. We can’t afford to send D.C. Dan Kohl back to Washington, because Glenn Grothman is working for us. A record of accomplishments – Better funding for trade schools and apprenticeships, fighting the opioid epidemic and to lower healthcare costs. Glenn Grothman, getting

things done for Wisconsin."
