(Fond du Lac, WI) – Congressman Glenn Grothman (R-Glenbeulah) this week released the first advertisement to tell the truth about Democrat Dan Kohl. The 15-second spot outlines Kohl's hypocrisy in saying he will not accept money from certain Political Action Committees (PACs).

In fact, Kohl spent eight years in Washington, D.C. as a lobbyist and started J Street, a liberal, anti-Israeli interest group funded by radical billionaire, George Soros. While at J Street, Kohl was tasked with building and developing their PAC. The precedent set by Kohl led to a dark-money PAC that [doles out 99.7 percent of its funds to Democrats](#), which amounts to more than \$10 million.
