Wauwatosa, WI — Today voters in Wisconsin’s 5th State Senate District gain a new window into Julie Henszey’s leadership skills, grit, and ability to lead Wisconsin forward with the release of her new video by her campaign, introducing the outdoor adventure guide and business owner to voters.

“We are excited for voters to continue to get to know Julie as a person and a candidate,” said Campaign Manager Alex Joers. “After talking to thousands of voters across the 5th State Senate District, it is clear people are ready for a change from the career politicians in Madison.”

The new video shares more about Julie’s work as a outdoor adventure guide and her capacity to bring people together to navigate difficult challenges. These are skills that Julie will bring to the State Legislature when she is elected.
