A Hiring Event (Job Fair) is set for Tuesday, February 13, 2018 from 2-4 p.m. at the Community Action Training Center, 27 Eclipse Center, Beloit. As of January 31, there were 23 employers registered, offering over 350 job openings.

The event is free and open to the public. For better chances of success, those attending are urged to research employers prior to the event, prepare yourself for your introduction when meeting the potential employer, and to dress appropriately (as you would for an interview), along with bringing your resume and completing applications online prior to the event. Those needing help in creating or editing their resumes or printing it can come to the Resource Room at the Rock County Job Center.

Persons interested in further information can contact the Resource Room at (608) 741-3578. Those interested in attending can also go online at www.JobCenterofWisconsin.com/events for more details.
