Rice Lake, WI - Today Assembly Candidate Ali Holzman released the following statement condemning the recent racist Facebook posting made by the Barron County Republican Party:

“Setting aside the outright lies they’re trying to push, this hateful racism from the Republican party makes me sick.”

“The fact that someone felt comfortable posting this publicly is extremely disheartening,  
and tells me a lot about what Republican Party ‘values’ really are. We have to be better  
than this - all of us.”
