MADISON — Josh Kaul, former federal prosecutor and candidate for Wisconsin Attorney General, today announced the endorsement of U.S. Senator Tammy Baldwin.

“Josh Kaul is an experienced prosecutor and community leader with a proven track record of keeping communities safe and making sure their voices are heard,” said Senator Baldwin. “Whether it’s by enforcing consumer fraud laws, cracking down on crime, or defending voting rights, Josh will make Wisconsin safer and stronger as Attorney General.”

Kaul thanked Senator Baldwin for her support. “From fighting to ensure that pharmaceutical companies can be held accountable when they inflate the price of life-saving medicine, to standing up for Wisconsin dairy farmers, to calling for greater urgency from our current Attorney General in addressing the backlog of untested rape kits, Senator Baldwin consistently puts Wisconsin families first,” Kaul said.

Josh Kaul served as a federal prosecutor in Baltimore, one of America’s most violent cities. There, Kaul prosecuted murderers, gang members, and drug traffickers, taking dangerous criminals off the street and making communities more secure. He grew up in Oshkosh and Fond du Lac in a family of law enforcement professionals and teachers. He is running for Attorney General in 2018.
