GRAFTON, Wis. – On Tuesday Dan Kohl's campaign for Congress released its first round of television ads as part of a \$280,000 ad buy. The ads focus on Kohl's pledge not to take contributions from corporate PACs, the need for new leadership in Washington, and his call to end the cycle of career politicians who put the needs of special interests ahead of their constituents. The ads are live in the Green Bay, Milwaukee, and Madison markets.
