Green Bay — The following is a statement from Beau Liegeois, candidate for U.S. Congress on Kevin Nicholson's divisive rhetoric regarding our Veterans.

“As a reservist in the Wisconsin Army National Guard, I am appalled by Kevin Nicholson's remarks on American veterans. This vitriol is not representative of our values in Northeast Wisconsin and why we need a change in Washington. I am proud to stand with all veterans regardless of party because they have fought for our freedoms that make America the greatest country in the world. As your next Congressman, I will work tirelessly on behalf of all active and retired service members as well as their families. I hope Mike Gallagher will stand with me and denounce Kevin's divisive rhetoric towards those who fought and risked their lives for our country.”
