Loudenbeck campaign: Announces WI Farm Bureau endorsement

Clinton, WI— Representative Amy Loudenbeck (R-Clinton) announced today her endorsement by the Wisconsin Farm Bureau Federation.

“The Wisconsin Farm Bureau Federation endorsement means a lot to me and my campaign, said Rep. Loudenbeck. “Rock and Walworth counties have a long tradition of agriculture as an economic driver. Crop yields in the 31st Assembly District are among the best in Wisconsin, and our dairy and beef production are strong. Farmers care about transportation, conservation, tax policy and protecting the legacy of the family farm, and I am proud to support them and the work they do.”

“Rep. Loudenbeck has always been, and remains a strong supporter of agriculture and agri-business in Wisconsin. She has a personal connection to agriculture that helps inform her decisions regarding agricultural policy. She has authored and supported legislation supported by Wisconsin farmers and really understands the challenges and opportunities in the industry,” said Rob Richard, WI Farm Bureau Senior Director of Government Relations.

The Wisconsin Farm Bureau Federation is the state’s largest general farm organization representing farms of different sizes, commodities and management styles. The organization is made up of more than 46,000 member families across

Wisconsin.
