Clinton, WI—Representative Amy Loudenbeck (R-Clinton) issued the following statement on the results of the 2018 fall election.

“It has been an honor and a privilege to represent the people of the 31st Assembly District the last eight years, and I’m incredibly honored to once again earn their votes to continue to serve them. I’d like to thank my team and all of my supporters. We worked very hard this year, and our victory would not have been possible without all of their efforts.

“I’m very proud of the things I accomplished in the legislature and firmly believe Wisconsin is moving in the right direction. I look forward to the next session and working to protect pre-existing conditions, lower health care costs, improve transportation infrastructure, and find common sense solutions to relieve the pressure points on our local units of government and school districts. I’m committed to making Wisconsin the best place to live, work, farm and raise a family.”
