Statement of Alderman Russell W. Stamper, II

My deepest condolences go to the loved ones and friends of the Milwaukee Police officer who was killed in the line of duty earlier this evening in the 15th District. The sadness I witnessed tonight at the scene is difficult to process and I cannot stop thinking about the officer and his family.

I want to thank him for his service, and I thank all of our dedicated officers who rush to danger to protect us and who put their lives on the line daily without hesitation.

May God be with the officer and his family at this time.
