Milwaukee, WI — Milwaukee County Supervisor Deanna Alexander has publicly posted information about her experiences working with County Supervisor Steve Taylor.

Supervisor Alexander issued the following statement regarding her post:

“The truth is important here and the details I am sharing are things the public may never know if someone doesn’t speak up. I will not pave this politician’s way forward and upward just to be spared his wrath. In standing up for Milwaukee, I expose his true nature before the voters decide whether or not to hire him to represent them again, because it is the right thing to do, and anyone hoping for all that I hope for in this world, must have the intestinal fortitude to stand up for doing what is right.”
