The contest to land the 2020 Democratic National Convention is down to the final three cities – Miami, Houston and Milwaukee. Alex Lasry, Senior Vice President of the Milwaukee Bucks, has been spearheading the effort to bring the DNC Convention to Milwaukee for the last year. The DNC Convention is widely considered one of the largest events any American city can host every four years. Alex will give an update on what landing the DNC Convention will mean for Milwaukee and how the entire community will need to be involved in the bid during the coming months. Rotary meetings are open to members, invited guests and media.
