Fond Du Lac, Wis. – The Mahlon Mitchell for Wisconsin campaign released the following statements today:

“Working families are the lifeblood of Wisconsin and are the key to growing the economic engine of our state. There is no better advocate for them in this race than Mahlon. Not only does he have a proven record of fighting for workers’ rights, he is the only candidate that has real plans for change that embody progressive values and don’t leave vulnerable communities behind. I look forward to the opportunity to work with his administration to improve our economy, secure a stable future for our youth, and create a Wisconsin that works for all of us.” – Spencer Coggs, Treasurer, City of Milwaukee.

“It is an honor to have Spencer’s endorsement in this crowded race. He has long been a steward of Milwaukee and the state of Wisconsin. He knows what it takes to win and I am excited at the opportunity to work with him to do so.” – Mahlon Mitchell, Candidate for Governor.
