MILWAUKEE. – The Mahlon Mitchell for Wisconsin campaign released the following statements today:

“In these uncertain times, it is extremely critical that Wisconsinites have a Governor who will place the people’s needs before his own. I firmly believe that Mahlon Mitchell is that candidate. He is focused, intelligent, fully committed, dedicated, and the candidate who I believe has the political courage necessary to address and correct the damage done over the past 8 years. We need to elect leadership that will unite Wisconsinites rather than further divide us, who stands for the working man and woman, for family, for those who feel forgotten in under served communities, who need to know and be assured their voices are heard – Mahlon Mitchell is that leader and that is why I am endorsing him for Governor.” – Lena Taylor, Wisconsin State Senator, District 4.

“Senator Taylor has spent the balance of her life as a vocal and dynamic force for change. Her colleagues, constituents, and community know that she will always fight for equity and opportunity. I am deeply grateful for her support and look forward to working with her to bring real, lasting change to Wisconsin.” – Mahlon Mitchell, Candidate for Governor.
