At his rally in Wisconsin this evening, President Trump blasted “radical far left” Tammy Baldwin and showed Wisconsin voters exactly why it’s time to send her packing and elect Leah Vukmir.

President Trump made clear that Tammy Baldwin doesn’t have Wisconsin’s back after voting for open borders, higher taxes for hard-working families, job-destroying regulations and supporting socialist health care. **“Leah’s radical far left opponent is Tammy Baldwin who wants a socialist takeover of health care. She wants to restore job-killing regulations that are literally killing our country,”** President Trump said.

Showing voters exactly what’s at stake in this election, President Trump reminded voters that Leah Vukmir will always put Wisconsin first. **“Leah’s a tireless fighter for the people of Wisconsin. If you want strong borders and safe communities, you need to vote for Leah!”** Trump continued.

“President Trump was exactly right, Tammy Baldwin is a far-left radical who’s more concerned with saving her political career than delivering for Wisconsin families,” said NRSC Spokesman Calvin Moore. “Tammy Baldwin abandoned Wisconsin veterans at the Tomah VA and now it’s time for Wisconsin voters to abandon her and instead elect a fighter they can trust, Leah Vukmir.”
