Washington Island, WI – Bill Nauta, State Senate candidate (SD-1) announced today that, if elected, he will donate half of his annual salary of \$50,950 to the veteran's organizations within his district during the duration of his tenure.

“I am not seeking public office for profit and I am not a career politician. If I am given the trust and confidence of my constituents to serve as their State Senator, I pledge that I will donate half of my salary back to the communities in my district. I can think of no better organizations than the American Legion posts; Veterans of Foreign Wars (VFW) posts; and American Veterans (AmVets) posts. I have identified 33 of these within the 1 st Senate district.”
