In response to the tremendous upset victory for Democrats in the Pennsylvania 18th Congressional District, NextGen America President Tom Steyer issued the following statement:

“Last night was nothing less than a stunning and absolute rebuke of the Trump Administration and the Republican Party. A Democratic win in this district was simply unfathomable before we had a President who defies all American values and ideals. Pennsylvanians just gave the nation a preview of what’s to come in November, and the message is clear: if you have taken the side of Donald Trump and his agenda of bigotry, greed, and divisiveness, you will be swept aside this November and replaced.”
