*In response to the Wisconsin primary results, NextGen America President Tom Steyer issued the following statement:*

“Congratulations to Tony Evers and Randy Bryce on winning their Democratic primaries. For years, Republicans like Paul Ryan and Scott Walker have fought to protect wealthy corporate interests over working people in Wisconsin, and tonight, Wisconsinites showed us that they are fed up with their leadership and ready for real, progressive change. Everyday until November, we will work tirelessly to get young voters to the polls and to fight for a future based on justice and opportunity for all.”
