**WASHINGTON, DC** — One Nation, an issue advocacy organization dedicated to promoting commonsense legislative solutions, launched a digital campaign in Wisconsin advocating for the nomination and confirmation of a constitutional conservative to the U.S. Supreme Court.

The ad, entitled “SCOTUS,” calls on Senator Baldwin to not cave to the far left by obstructing President Trump’s nominee.

“This is merely first step in our full-fledged advocacy campaign for the nomination and confirmation of a constitutional conservative to the U.S. Supreme Court,” said One Nation President and CEO Steven Law.

The paid digital ad is part of a 10 state advocacy campaign that begins running today. The ad can be viewed [here](#).
