*People of Wisconsin Know We Can Do Better Than What We've Gotten From Scott Walker, GOP*

MADISON, Wis. — The following are the statements of One Wisconsin Now Executive Director Scot Ross on the Wisconsin Primary Election results:

“It’s no wonder Scott Walker and the Republicans are desperate and running scared.

“Since the start of 2018, with historic wins in state Senate races and progressives’ convincing victory in the April statewide election for state Supreme Court, Democrats and progressives are showing up to vote and winning elections.

“Up and down the ticket progressives are fielding a strong ticket of candidates to take back the state.

“While Scott Walker and his gang have already turned to scare tactics and racist attacks, the people of Wisconsin won’t be fooled. They know we can do better than what we’ve been getting from Republicans for the last eight years.”
