MADISON, Wis. — One Wisconsin Now Executive Director Scot Ross released the following statements that career politician Republican Rep. Paul Ryan will not run for re-election.

“When you look up ‘White Privilege’ in the dictionary, you see Paul Ryan’s photo.

“With few actual accomplishments Paul Ryan was somehow placed on a pedestal as some gifted intellectual.

“Paul Ryan proved that in America if you’re born rich you can still achieve your dreams of one day giving yourself a massive tax break if you hang around Washington, D.C. long enough.

“Now he will have more time to spend with his family and contemplate his legacy, the \$1.5 trillion in debt he’s left with our children.”
