MADISON, Wis. — One Wisconsin Now Research Director Joanna Beilman-Dulin and Program Director Analiese Eicher put out the following statements about Republicans Scott Walker and Brad Schimel's unflinching support for putting Brett Kavanaugh on the United States Supreme Court.

"Scott Walker and Brad Schimel want to put a man who committed sexual assault on the United States Supreme Court for the next 30 years.

"Scott Walker and Brad Schimel have shown women in Wisconsin no respect to begin with and they have shown victims of sexual assault even less.

"Scott Walker and Brad Schimel should be reminded of this every, single day."
