A Simple Choice: Denounce Trump or Join Him as Unfit to Serve

MADISON, Wis. — The following are the statements of One Wisconsin Now Program Director Analiese Eicher, Research Director Joanna Beilman-Dulin and Research Associate Louise Lyall regarding Donald Trump attacking Dr. Christine Blasey Ford, the victim of a sexual assault perpetrated by his nominee to a lifetime appointment to the U.S. Supreme Court:

“Donald Trump is publicly attacking the victim of a sexual assault, and it is sickening beyond words. “The choice for Gov. Scott Walker and Attorney General Brad Schimel is simple: denounce Donald Trump immediately and unequivocally, or join him as unfit to serve in public office.”

I have no doubt that, if the attack on Dr. Ford was as bad as she says, charges would have been immediately filed with local Law Enforcement Authorities by either her or her loving parents. I ask that she bring those filings forward so that we can learn date, time, and place!
