Abele says Palzewicz committed to finding solutions

Brookfield, WI—Tom Palzewicz, candidate for the U.S. House of Representatives in Wisconsin's 5th District, today announced the endorsement of Milwaukee County Executive Chris Abele.

"Tom and I share a vision of government that works to empower citizens to improve their lives and make a difference in their communities," said Abele. "We need fewer politicians who engage in partisan battles and more leaders like Tom Palzewicz who are committed to finding solutions to the important issues of our day.

"I trust Tom to fight for hard-working people when he gets to Washington and to shake up a Congress that is currently incapable of doing the people's business," continued Abele. "I am proud to endorse Tom Palzewicz for Congress and encourage the voters of the 5th Congressional District to elect Tom in November."

"I appreciate County Executive Chris Abele's support and especially appreciate his leadership on LGBTQ+ issues and in fighting for women's reproductive freedom," said Palzewicz. "I share his commitment to reaching across the aisle, because together, we can help every Wisconsinite achieve the American Dream. I look forward to working with Chris and building an economy in Southeastern Wisconsin that works for all stakeholders including businesses, employees, consumers, and the environment."
