Leading reproductive health advocacy organization says Palzewicz will be a steadfast champion for women's and family health

Brookfield, WI — Tom Palzewicz, candidate for the U.S. House of Representatives in Wisconsin's 5th district, today announced the endorsement of the Planned Parenthood Action Fund.

"Tom believes women have a right to comprehensive reproductive and sexual health care and knows that these rights are under attack," said Dawn Laguens, Executive Vice President of Planned Parenthood Action Fund. "I know Tom will be a steadfast champion of reproductive health care and rights, and work to ensure that every woman in Wisconsin has the ability to access the care they deserve."

"Too many men in Congress seem to think they are experts on what is right for women, but they are too often dead wrong," said Palzewicz. "As your Congressperson, I will prioritize women's health and the voices of women, and I will stand for health and science above politics. I appreciate the support of Planned Parenthood Action Fund and look forward to partnering with them in the weeks to come."
