Sen. Warren says Palzewicz will take on special interest groups and empower the middle class

Brookfield, WI — Tom Palzewicz, candidate for the U.S. House of Representatives in Wisconsin's 5th district, today announced the endorsement of U.S. Senator Elizabeth Warren (D-MA).

"Tom and I share a vision of government that empowers the middle class and ensures everyone has a fair shot to achieve the American Dream," said Sen. Warren. "I know Tom isn't afraid to take on the special interests in Washington with me and fight for working families across the country. That's why I'm proud to endorse Tom Palzewicz, and help him get elected on November 6th."

"I'm deeply honored to have the endorsement and support of Senator Warren, who is a champion for the middle class," said Palzewicz. "She's been a steadfast advocate for working people in the Senate and always speaks up for her constituents. I share her commitment to holding those who prey on the middle class accountable and to fighting for increased consumer protections across the board."

"I look forward to joining Sen. Warren in Congress and getting the economy back to working for everyone including businesses, workers, consumers, and the environment. Together we can solve the problems we face and help every American achieve the American Dream."

Tom Palzewicz is a Navy veteran and business owner who is running to bring responsible and common-sense solutions to Congress. The general election will be held Tuesday, November 6, 2018.
