The super PAC backing GOP state Sen. Leah Vukmir for U.S. Senate says it raised more than \$1 million in the final three months of 2017.

Wisconsin Next PAC also said it finished the year with more than \$1 million in the bank.

The group announced its fundraising numbers on the heels of Vukmir saying she raised more than \$400,000 during the period. Reports detailing their fundraising efforts are due to the FEC later this month.

Solutions for Wisconsin, the super PAC backing Vukmir's GOP rival Kevin Nicholson, raised \$3.5 million through the first half of 2017.
