The Republican Attorneys General Association released the following statement congratulating Attorney General Brad Schimel and pledging their full support:

*“Brad Schimel is incredibly hard-working and one of the most experienced prosecutors serving as attorney general in the country,”* said Arkansas Attorney General and RAGA Chairman Leslie Rutledge. *“Wisconsin is fortunate to have this nearly 30-year prosecutor and rule of law champion as their attorney general. Brad’s nationally recognized opioid program – Dose of Reality – is making a difference, the school safety program he is running has awarded millions of dollars to schools all over Wisconsin and he is turning the tide on the rape kit backlog that dogged prior Democratic and Republican attorneys general. Attorney General Schimel is making Wisconsin safer and a better place to live. RAGA is proud to stand with Brad Schimel for Attorney General.”*
