**MADISON** - Representative James Edming (R-Glen Flora) congratulated the school districts serving students in the 87<sup>th</sup> Assembly District that received a TEACH Grant to help improve and increase technology infrastructure in their schools.

“During my time in office, improving access to the internet and technology for our rural communities has been a priority of mine,” said Rep. Edming. “It is wonderful to see so many school districts that serve students in the 87<sup>th</sup> Assembly District receiving a TEACH Grant to improve technology in their schools.”

The [TEACH Grant Program](#) is administered by the Department of Administration and helps provide funding to improve technology infrastructure in school districts with 16 or fewer students per mile. In this round of TEACH grants, a total of \$7.8 million was awarded to school districts around the state including:

- School District of Athens - \$27,547
- Birchwood School District - \$27,000
- Bruce School District - \$29,750
- Chetek-Weyerhauser Area School District: \$42,720
- School District of Flambeau - \$28,622
- Gilman School District - \$30,000
- Hayward Community School District - \$59,910
- School District of Ladysmith - \$31,360
- Medford Area Public School District - \$60,000
- School District of Rib Lake - \$30,000

- Winter School District - \$30,000

“From my many conversations with administrators, educators, parents, and students around the 87<sup>th</sup> District I know that these grants will have a big impact and allow these schools to provide a better education to their students,” said Rep. Edming.
