**MADISON** - Representative James Edming (R-Glen Flora) congratulated four schools and school districts in the 87<sup>th</sup> Assembly District for receiving School Safety Grants from the Department of Justice (DOJ) this week. This is in addition to grants that were awarded to the [Winter and Birchwood School Districts](#) last month.

“I am thrilled that more schools and school districts in our area have been awarded School Safety Grants in this recent round of awards,” said Rep. Edming. “This grant money will provide these schools with needed resources to improve safety for their students, teachers, and staff.”

The \$100 million School Safety Grant Award Program, created by [2017 Act 143](#), is being administered by the [Office of School Safety](#) at the Wisconsin Department of Justice. “Each session there are a few legislative accomplishments that stand out and the

creation of the School Safety Grant program is certainly one of them this session,” said Rep. Edming. “I am so proud to have backed the creation of this important program, and I hope to see additional schools in the 87<sup>th</sup> Assembly District awarded grants in the future.”
