MADISON – Assembly Democratic Leader Gordon Hintz (D-Oshkosh) was awarded as a Friend of Family Medicine by the Wisconsin Academy of Family Physicians for his work in promoting effective health care policy during the 2017-18 legislative session. Representative Hintz released the following statement on receiving this honor:

“Family physicians are the key to keeping Wisconsinites healthy. Through research and education, the Wisconsin Academy of Family Physicians has played a pivotal role in increasing access to quality medical care throughout the state. As a legislator dedicated to addressing the pressing health care needs of Wisconsin residents, I am proud to work side-by-side with WAFP to ensure the next generation of family physicians have the training and support they need to move Wisconsin forward.”
