MADISON – Assembly Democratic Leader Gordon Hintz (D-Oshkosh) released the following statement after Governor Walker signed SB 883, SB 884 and SB 886 in their entirety. These bills would strip power from Governor-Elect Tony Evers and Attorney General-Elect Josh Kaul before they take the oath of office.

“This is a disappointing day after a disappointing eight years. The good news for the people of Wisconsin is Scott Walker will only be Governor for another three weeks. Today cements his legacy of division and a willingness to put politics over the people he was elected to represent.”
