## **Representatives for Rep. Ron Kind to hold open office hours in all 18 counties in Wisconsin's third congressional district**

La Crosse, WI – Today, U.S. Rep. Ron Kind announced that representatives from his district offices will be available at open office hours in all 18 counties in Wisconsin's Third Congressional District throughout the month of October.

“My office is always ready and prepared to help Wisconsinites with issues they face. Open office hours allow my staff of dedicated caseworkers the opportunity to meet people right in their communities, so they can get the help they need,” said Rep. Ron Kind. “I hope everyone impacted by the recent flooding and severe storms in western and central Wisconsin takes the time to meet with my staff and learn more about how we can help.”

Rep. Kind's office can help Wisconsinites work with federal agencies after flooding and severe weather. His office can also assist Wisconsinites having issues dealing with the Department of Veterans Affairs, the Internal Revenue Service, the Social Security Administration, Immigration and Naturalization Service, and a number of other Federal agencies. Representatives from his office are also available to meet

by scheduled appointment in either of his La Crosse or Eau Claire offices. More information can also be found by calling toll-free: 1-888-442-8040.
