Madison— Today State Representative Adam Neylon (R-Pewaukee) issued the following statement in response to a new survey from ManpowerGroup Inc.:

“It is exciting to see that Wisconsin’s hiring outlook now leads the nation. According to a newly released survey from ManpowerGroup Inc., roughly one-third of Wisconsin companies plan to hire new employees within the next quarter.

“The results of this survey show business owners believe Wisconsin is the place to create and expand operations. As the Chairman of the Assembly Committee on Jobs and the Economy, I have the privilege of being at the forefront of Wisconsin’s push to bring back quality, family-supporting careers to this state.

“This is a clear indication that the reforms we’ve achieved here in Wisconsin are working. Now more than ever, we need to continue on the path of moving Wisconsin forward.”
