MADISON – Today, Representative Tod Ohnstad (D-Kenosha) issued the following statement regarding yesterday's extraordinary legislative session.

"I am deeply disappointed in legislative Republicans' decision to override the will of the people and ignore voters' clear desire for change. Put simply: the Republicans are sore losers. These proposals are exactly the kind of political games voters rejected on November 6th. Republicans should try listening to voters to learn why they lost, instead of changing the rules for short-term political gain."
